Dealing With:

Shree Yantra or Sumeru Shree Yantra, which has been praised a lot in all the ancient scriptures. Shree Yantra Crystal is one of the luckiest, most vital and powerful v, which not only gives the utmost benefits, but also confirms auspiciousness for almost every person. It is the source of achieving all worldly desires & fulfilling all wishes through attracting the cosmic energy of the universe, which manifests as mental power.

The Crystal Sumeru Shree Yantra brings about growth in material and religious wealth and a lot of stability. Sri Yantra has a mystical power to accomplish all our desires and change our life for the better. Shree Yantra is the ultimate answer to all the pains, sufferings, troubles and negativity in your life. The term 'Shree Yantra' translates to 'Instrument for Prosperity', where 'Shree' means 'Prosperity' and Yantra - means 'Instrument'. Any Person using Shree (Shri) Yantra attains much greater wealth and harmony. Crystal Shree Yantra helps in breaking all the barriers in our life. It helps us push, boundlessly and easily, the limits of growth - both on the materialistic as well as spiritual front.

There are harmful and negative energies around us, be it on a large or small scale. These harmful energies create obstructions and hurdles in our way of achieving greater success, wealth, harmony and peace. Crystal Sumeru Shree Yantra helps in getting over all these negative and destructive energies surrounding you with ease.

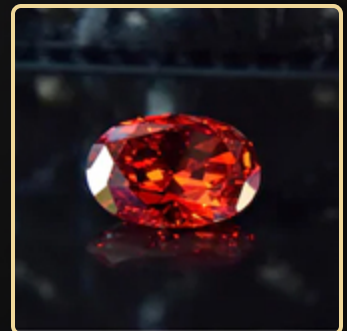

Gemstones have a special significance in Vedic astrology. They have been in use since ancient times, to liberate the problems caused by planets. In the olden days, only the Kings, the nobles or the rich used to wear gemstones, recommended by Astrologers and reap their benefits. However, times have changed and anyone can afford and be enriched by gemstones today.

The use of gemstones as a means of correcting planetary defects in one's birth chart is Growing rapidly. It is due to the large number of people who are benefiting in every area of life like progress in business, education, illness, that gems are deemed so important in

Vedic astrology. From the Bollywood actors to the industrialists, none are far behind when it comes to astrology consultations and using crystal healing.

Benefits of Gemstones: Although there are more than 200 gemstones, we are discussing the benefits and healing process of gemstones here:

Ruby Gemstone - Ruby or Manik Ratna is the gem of the Sun. It is the birthstone of natives born in July month and Capricorn Zodiac Sign. It might not be suitable for everyone. Therefore, a thorough study and analysis of one's natal chart is required before wearing it. Sun is the king of the solar system. Thus, Ruby is often considered the queen of gem stones and the gemstone of kings. It enhances confidence and decision making capabilities of the wearer. The wearer is blessed with prosperity and fame, shining bright like the Sun. It is also helpful in stomach ailments. Wearing Ruby stone will also help with blood haemorrhoids, increased potency, physical strength and stability. It is however, suggested not to wear diamond, onyx and sapphire with this
